Name: Dudi Kmqmfgqo

Lecturer: _____   Section: Alpha

On my honor, I have neither received nor given any unauthorized assistance on this examination.

Signature _____

Instructions

1. Look at both sides of each sheet of paper. Questions are printed on the front and back.

2. This exam is closed book. Calculators, electronic devices, notes, books, formula sheets , and other outside materials are not allowed. Phones must be turned off and put away.

3. This is a really complicated title page! You can put whatever you want here, and it will not be touched by the modification program.

4. The only thing that will make the scan processing easier is if the name blank is the only (or at least last) thing on it's line.
